PROFESSIONAL SUMMARY

I'm a UI/UX designer with over 3+ years of experience crafting digital experiences across SaaS platforms, EV charging products, and asset management tools. I love taking complex systems and turning them into simple, intuitive interfaces that people enjoy using. My process combines research, prototyping, and building scalable design systems to ensure every product is both user-friendly and strategically effective. I'm passionate about creating designs that solve real problems while supporting business goals.

PROFESSIONAL EXPERIENCE

- Jul 2023 - Current

UI/UX Designer

Steam-A - Coimbatore, Tamil Nadu

- Worked as a UI/UX Designer at Steam-a, contributing to multiple B2B SaaS products with a focus on operational efficiency and usability.
 - Represented Steam-a in client collaborations, including a key role with Sodexo, where I led design efforts for their internal order management system.
 - Designed and delivered intuitive user interfaces, responsive layouts, and optimized user flows tailored to business and user needs.
 - Collaborated with cross-functional teams—including developers, product managers, and client stakeholders—to align design goals with business outcomes.
 - Received the Best Performance of 2023–24 award at Steam-a in recognition of outstanding client delivery, design excellence, and team collaboration.
- Jun 2022 - May 2023

UI/UX Designer

KGX Innovation - Coimbatore, Tamil Nadu

- Assisted in user research, wireframing, and prototyping. Learned design thinking and user experience principles to create intuitive interfaces.
 - Learned and applied tools like Figma and Adobe XD to create wireframes, prototypes, and user interface designs.

SKILLS

- **Design Tools:** Figma, Adobe XD, Illustrator, After Effects, Premiere Pro, Framer
- **Design Practices:** Wireframing, Prototyping, Design Systems, Auto Layout, Responsive Design
- **Development:** HTML, CSS, JavaScript
- **Other:** Illustration, Branding, Animation (Motion Design)

EDUCATION

Jun 2019 - May 2023
Bachelor of Engineering - Computer Science Engineering
KGSIT Institute of Technology, Coimbatore, Tamil Nadu
